

K4 Photography (aka PhotosByK4)

KM Dance Arts "Energized" Pricing Structure Information

In a previous publication it was announced that K4 Photography would be providing photographic services for the 2010 KM Dance Recital.

K4 Photography will be doing the pictures a bit different this year. We will be providing all photographs on CD as digital images. So, what this means to you as you're deciding on photographs you will only need to check the box of the dance number and individual poses you want. When you receive the CD, you are then free to print as many pictures as you want. If you prefer actual prints as opposed to digital images please contact K4Photography (916.745.1048) for more information and pricing.

This years' pricing structure is as follows:

- First group photo + first individual photo (package #1) = \$30.00
